Data Analyst with 6 months of experience in collecting, analyzing, and interpreting data to support business decision-making. Skilled in SQL, Microsoft Excel, Power BI, and data visualization techniques, with a strong understanding of data cleaning, reporting, and dashboard creation. Adept at analyzing business requirements, identifying trends, and delivering actionable insights through data. Focused on ensuring data accuracy, process optimization, and effective reporting. Strong analytical thinking, problem-solving, communication, and attention to detail in fast-paced environments.

PROFESSIONAL EXPERIENCE

Manras Technologies pvt. ltd

Salesforce Developer || July 2025-Jan 2026

- **Implemented** end-to-end Salesforce solutions including Apex classes, triggers, validation rules, and workflows to automate business processes.
- **Engineered** REST/SOAP API integrations using Apex callouts and Named Credentials, enabling secure cross-system data exchange
- **Designed and built** Lightning Web Components (LWC) and Visualforce pages to deliver responsive, user-friendly interfaces.
- **Configured** Salesforce data models by creating custom objects, fields, page layouts, record types, and relationships..
- **Optimized** SOQL queries and Bulkified triggers to ensure scalability and prevent governor limit issues.
- **Executed** unit testing, debugging, and performance tuning to maintain system reliability and best-practice compliance.

Appsquartz , Noida

MERN Stack Developer || Aug 2024-Feb 2025

- Built dynamic and responsive web applications using **MongoDB, Express.js, React.js**, and **Node.js**.
- **Integrated** Salesforce APIs with MERN applications using Apex callouts and Named Credentials, enabling real-time sync of **10K+ records/day** with **99.9% success rate**..

ACADEMICS

Seth Jai Prakash Mukand lal Institute of Engineering & Technology, Radaur

Bachelor's of Technology, Computer Science and Engineering.

- CGPA :- 7.60

Kurukshetra, Haryana

2021 - 2025

Maa Saraswati Public School, Bahadrabad, Haridwar

12th non-medical (PCM)

- Percentage :- 91.2

10th Matric

- Percentage :- 75.1

Haridwar, UttraKhand

2020 - 2021

2018 - 2019

PROJECTS

- **Technotes(Placement Partner App):** Developed a placement preparation platform providing structured **notes, interview questions**, and **coding** resources for students. Covers **technical interview questions, competitive programming concepts**, and **coding fundamentals** in an organized manner. ([Live Project](#))
